Award-Winning Family Film Premiering in [your city]
Different Drummers Plays at [name of venue] on [date of event]

[YOUR CITY] - *Different Drummers*, a family film based on a true story that occurred in Spokane, WA during the 1960s, premieres at [name of venue] on [date of event]. The event is sponsored by [your organization] and tickets are only available in advance from <http://www.tugg.com/titles/different-drummers>.

Different Drummers focuses on the unlikely friendship between two fourth-graders: a hyperactive Lyle and his best friend David, who is in a wheelchair with Duchenne Muscular Dystrophy. When David accurately predicts the death of their fourth-grade teacher, and says God told him, Lyle decides to test the existence of God by trying to get David to run again.

According to directors Don Caron and Lyle Hatcher, the impact this movie has on audiences is due to the genuine and realistic handling of the issues portrayed in the film, which include childhood disabilities, ADHD, friendship, and the existence of God.
